Pickens, SC 29671

Re: Pickens CTC - CF127 - L 2019 Resurfacing Package

Dear Mr. Baldwin:

HDR has reviewed the three (3) submitted bids for the Pickens CTC - CF127 - L 2019 Resurfacing Package. The final bids were as follows:

- Rogers Group: \$611,290.00
- F&R Asphalt: \$462,671.50
- King Asphalt: \$399,805.73

Please see the enclosed final bid tab submitted by the apparent low bidder. HDR Engineering of the Carolinas, Inc. recommends that the contract to be awarded to King Asphalt as the bid was close to the estimated engineer's construction estimate (-26%). Please let me know as to the next course of action for this project so we can begin to schedule the pre-construction conference.

Sincerely,

**HDR of the Carolinas, Inc.**

  
Wes Lockard, PE
